1. The D.C recommends sanction to the proposal of the Gooribanda Ind. Co. subject to the [illegible] condition that Govt. could resume the site together with any structure thereon without paying any compensation if

(1) the manderam is not constructed within 6 months or

(2) if the site or building thereon is utilised for any other purpose or

(3) if the building is not properly looked after.

Nos (1) and (2) seem to be alright but No (3) is a very vague condition and it may not be insisted on. It may be stated here that the Ind. Co have expressed the condition in their resolution further for enforcement of (1) & (2) whether the site & structure on the site could be resumed without any compensation is doubtful. Perhaps the condition may be made

(1) the Govt could resume the site of the manderam if it is not constructed within 6 months or if the site or building thereon is utilised for any other purpose.
